N/A

Wasleys Primary School values are:

- Belonging
- Opportunity
- Achievement
- Teamwork

These values were developed in partnership with the whole school community.

Our mission is to ensure every learner is engaged, stretched and achieving personal and academic growth.

Our improvement agenda supports:

- data and its analysis informing teaching and learning practices
- a strong focus on Numeracy, Literacy and ICT
- students progressing and achieving at their appropriate year level or higher
- students with disabilities or learning difficulties meeting their individual goals described in their Negotiated Education Plans (NEPs) or Individual Learning Plans (ILPs)
- students making informed choices and decisions about their learning
- students and staff giving and receiving feedback to improve learning outcomes
- growth mindset and resilience to support students with inevitable challenges
- families participation, inclusion and knowledge of their child's social and emotional learning.

The following programs and activities are complimentary aspects that support students to learn in a range of different contexts:

- Stephanie Alexander Kitchen Garden Program (SAKG)
- Minilit an early years Literacy intervention program
- Quicksmart program which is aimed at supporting students to develop automaticity in number
- After school activities which are decided by students and run by dedicated staff and are held on:
 - Mondays – Games
 - Wednesdays – Kahoot
 - Thursdays – Construction
 - Fridays – Movies
- Sporting events and clinics
- Annual swimming program
- Premier's Be Active Challenge
- Premier's Reading Challenge

Key School Policies

At WPS there is a whole school focus on and commitment to improving Numeracy, Literacy and Student Wellbeing. Our School Improvement Plan (SIP) priorities include:

Reading Comprehension
Number sense
writing

WPS is continuing to deepen the focus on our SIP priorities to ensure consistency and best practice in these areas. This will occur through annual review of our SIP and our Numeracy and Literacy Whole School Agreements.

At WPS we:

- design and deliver high quality learning and learning
- continue to engage with and use the Teaching for Effective Learning Framework (Tfel)
- use the National Teacher Standards and Performance and Development processes to further enhance teacher development
- use interventions and differentiation to support all students
- regularly inform parents about their child's progress
- undertake continuous self-review to support improvement planning
- nurture and develop each individual student's social, emotional and academic proficiencies
- provide high quality teaching and learning
- improve the numeracy and literacy outcomes of all students through daily focused explicit literacy and numeracy teaching
- Differentiate numeracy and literacy intervention and support for all students
- have individual learning plans for all students
- collaborate with Support Services to ensure NEP student support is aligned with targeted short and long term goals
- Implementing the Child Protection Curriculum
- Supporting social and emotional development of students
- Supporting students to develop positive student behaviour practices and strategies

All curriculum areas are offered in classes with Japanese taught as our language component. The cross-curriculum perspective areas of Aboriginal and Torres Strait Islander perspectives, Asian perspectives and Sustainability perspectives and are also integrated into each key learning area.

Assessment procedures and reporting

WPS staff regularly collect and analyse student achievement data which assists us to find out detailed information about aspects of students' learning. This is especially useful in identifying individual student progress and adapting our programs and learning plans in response to what the data is telling us.

Data sets include:

- NAPLAN
- Running Records data
- Screening for Phonological Awareness
- Big Ideas in Number Diagnostic testing
- PATR (reading comprehension)
- PAT Maths (mathematics)

WPS provides student reports to parents in Terms 2 and 4. These reports are linked the Australian Curriculum (AC) Standards and provide information to parents and students about what students know, can do and understand, and provides information about the ways in which WPS can support each child to progress in working towards or above achieving their year level or NEP appropriate standard. Teachers also provide A-E reporting against the AC Standards through moderation of student work in each of the AC curriculum areas.

A three-way process of parent, student and teacher interviews are held in terms 1 and 3. These provide opportunities for the parent to hear about their child's learning and improvement journey from a student and teacher's perspective.

Sporting Activities

At WPS we recognise the importance of involving and engaging all students in physical movement and activity through providing the following activities and opportunities:

- Daily fitness sessions
- Annual Sports Day
- Premier's Be Active program
- Visiting sporting associations

General Activities

Our school recognises and celebrates the achievements and diversity of our school, our community, and the broader SA and Australian community through a variety of experiences which include:

- Assemblies
- End of Year celebration and presentations
- Preschool and Year 7 transition programs
- Year 7 graduation
- Harmony Day
- Teaching and learning experiences which provide Aboriginal Perspectives across all areas of the Australian Curriculum
- Excursions and Incursions
- Guest speakers
- Performances
- Research projects
- Attendance at local community events

Staff and their welfare

At WPS we have highly committed professional staff that genuinely place students at the centre of everything we do. Staff has developed strong and authentic relationships and links with parents and community.

Staff professional development opportunities and learning are linked to our SIP and Partnership priorities. This is essential in supporting staff on their learning and improvement journey, and in equipping them to provide high quality educational experiences that are inclusive of all students. A compulsory part of DECD professional development and learning is Performance and Development (P&D) processes. At WPS this includes termly meetings with each staff member to discuss their individual performance plan and goals and give and receive feedback. For teachers this includes linking and monitoring their processes and pedagogy to the National Teacher Professional Standards. For the Principal this involves links to the Australian Professional Standards for Principals.

School Facilities

Building and Grounds

The school consists of a single story building which houses the administration area, a library, a flexible teaching and learning area that can accommodate up to three classrooms, and an art room. Each of the classroom spaces has an electronic whiteboard and access to a shared laptop pod. All classroom spaces and work spaces are air conditioned and heated.

The old school residence is used for a variety of purposes some of which include:

- SAKG kitchen activities – the original kitchen space in this building has been updated to support group cooking activities
- Play Centre for preschool aged children and their parents
- After school activities
- Assemblies
- Performances

The school has an oval, playground area and equipment, an astro-turfed court, which is used for a variety of sporting activities, and a large undercover area which is used as an outdoor extension of classrooms.

In 2013 to support the implementation of the SAKG program, and to develop a 'fork to fork' culture within the school and community a kitchen garden and orchard was established.

Staff Facilities

A staff room is provided for staff use and meetings, and staff preparation and working spaces are also available.

Access for students and staff with disability:

Wheelchair access is available to the main school building.

A disabled toilet and shower facility is provided.

School Operations

Decision-making Structures

- Formal and informal decision-making is a collaborative effort which engages staff, Governing Council and students. As a part of this process a range of both formal and informal processes have been used to be inclusive of the whole school community.
- Students have a voice in school decision-making through class meetings and student council.

Regular Publications

- WPS uses the Learnlink Intranet for staff communication and updates, produces a fortnightly school and community newsletter, and sends home to parents a class newsletter twice a term.

Local Community

General Characteristics

- Wasleys is a small rural community with strong connections to the school. The community is extremely supportive and active in school activities, decision-making, and fundraising.
- The community has, over a few years, developed a Community Group that is actively working towards improving facilities within the town.
- Other facilities and services in Wasleys are:
 - Wasleys Post Office
 - Wasleys General Store
 - Wasleys Town Hall.

- **Parent Involvement**

Our WPS parent community is committed to developing and growing our school, and to supporting the development of Wasleys children into powerful learners and future leaders. Our parents can volunteer in a variety of ways some of which include:

- Listening to students reading
- Supporting student literacy and numeracy interventions
- Supporting extra-curricular activities and excursions
- Governing Council which has an enthusiastic and committed parent group who support our decision-making processes
- Providing donations to support our SAKG program
- Supporting the maintenance of the library
- As members of the Fundraising Committee
- Attending parent, students and teacher interviews
- Attending school events
- Donating their expertise to support the school operations

- **Feeder Secondary School**

Kapunda High School

- **Feeder Preschool**

Elsie Ey Preschool
