

Listening and watching

In week 2 the whole school went to the Gawler swimming pool on Thursday and Friday for our swimming and water safety lessons. We had two instructors named Gary and Leanne. They split us in to 3 groups, Crocodiles, Pelicans and Platypus. We had lots of fun and learned lots about how to keep safe around water, how to enter the water safely, how to swim the survival strokes, how to protect ourselves and how to rescue others if needed.

By the primary class.

Survival strokes

# WPS Swimming and Water Safety lessons 2023

## Thursday 9<sup>th</sup> and Friday 10<sup>th</sup> February – Gawler Pool

Life jackets

Performing Rescues

Swimming is fun. I like lessons. By Hudson

I got better at swimming, snorkeling and survival strokes. By Lucas

Swimming is the best because we can learn new things and if you try things you might not be scared. By Avah

At swimming lessons, we did compact jumps, swam in life jackets and played volleyball. When we were not in the pool we played games, drew pictures, sang and played the Ukuleles. By Bella

Enjoying the tipping buckets

At swimming we used flippers, we had to partner up and dive under the water like a snorkeler. We also learned about safety and how to rescue our partners. By Tom

We jumped into the pool with long sleeve clothes and we had to get in the life jackets. I improved in compact jumps, it is fun and easy. I loved it. I hope we can go to Gawler pool again soon. By Jano
